Date 2 October 2012
Concerning Your e-mail dated 11 September 2012

Dear 

The Gaming Authority has received your email dated September 11th 2012, in response to our letter dated August 28th 2012, with reference number 00.003.406. The Gaming Authority welcomes your willingness to take into account our prioritisation criteria for the enforcement of illegal games of chance through Internet.

In your email you confirm that you have taken the necessary measures to ensure your website will not meet our prioritisation criteria.

Research, undertaken on September 25th 2012, has shown that your website  doesn't meet our prioritisation criteria and therefore we will not focus our attention on your website and on your activities at this moment.

I appreciate you taking the necessary measures to prevent meeting one of the three prioritisation criteria.

As written in our previous letter our attention will be focused on offerors of illegal games of chance through Internet, aimed at the Dutch market, that meet (one of) the three prioritisation criteria. These offerors will be faced with the Gaming Authority's enforcement measures.

If you have any other questions regarding this letter, don't hesitate to contact us.
