Date 20 December 2012
Concerning Games of chance via Internet

Dear 

In your letter dated of September 27th you confirm that you will take the necessary measures to ensure your websites will not meet our prioritisation criteria. In response to your letter The Gaming Authority informs you as follows.

Research, undertaken on November 27th 2012 and December 19th 2012, has shown that your websites,  and  don't meet our prioritisation criteria and therefore we will not focus our attention on these website.

I appreciate that you have taken the necessary measures to prevent meeting (one of) our prioritisation criteria.

As written in our previous letter our attention will be focused on offerors of illegal games of chance through Internet, aimed at the Dutch market, that meet (one of) the prioritisation criteria. These offerors will be faced with the Gaming Authority's enforcement measures.

If you have any questions regarding this letter, don't hesitate to contact us. I trust I informed you sufficiently.
