Date 6 June 2013
Subject Games of chance via Internet

Dear 

Research, undertaken on March 19th 2013, has shown that the website  does not meet the prioritisation criteria of the Gaming Authority. Therefore, we will not focus our attention on this website and its activities at this moment.

Perhaps superfluously, we also wish to point out the following. Offerors of games of chance, which no longer meet (one of) the prioritisation criteria, are not legal because of this. It only means that, in the context of our prioritisation, these offerors will not be faced with our enforcement measures (as yet).

Also, please keep in mind that the prioritisation criteria may evolve over time. When the Gaming Authority sees reason(s) to adjust the prioritisation criteria and intends to do so, we will try to inform you well in advance.

I trust to have informed you sufficiently.

Yours sincerely,
