Dear Sir / Madam,

The Gaming Authority is inviting you to take part in a Roundtable for a discussion and to share your opinions on the regulation of online gambling in The Netherlands, as is proposed in the proposal to change the Gaming Law to regulate online gambling in The Netherlands, that the Ministry of Security and Justice has published today

(<http://www.internetconsultatie.nl/>). The Ministry of Security and Justice will make an English version of the proposal available soon on the same website (<http://www.internetconsultatie.nl/>).

As the Gaming Authority will be responsible for regulating the online gambling market in The Netherlands when this law has come into effect, it is organizing this Roundtable for representatives of the offline licensees in The Netherlands, for international online operators that might be interested in applying for an online license in The Netherlands and for other organizations with an interest or involvement in online gambling, or aspects thereof.

The information and opinions shared at this Roundtable will be considered by the Gaming Authority for its comments on the proposal and to sharpen its thoughts on the implications of the proposal for its duties as a regulator.

The meeting will take place in the afternoon of 14 June 2013 at Spiritual Center De Boskant in The Hague.

The working language will be English. If you want to attend this Roundtable you are asked to reply to this e-mail before 1 June 2013. If necessary the participation will be restricted to a maximum of 2 persons per organization, as the number of seats is limited.

I am looking forward to meet you in The Hague.

With kind regards,

Member of the Board
